WORKING WITH ATTACHMENT INJURIES

How do YOU help your clients overcome volatile relationships after a betrayal? Learn how to help your clients deal with the repercussions of relationship betrayal - whether sexual, emotional or financial - in this two-day workshop.

With trainers Lisa Palmer- Olsen and Jim Furrow

DATES: May 22-23, 2025

SCHEDULE: 10:30 a.m. to 5 p.m. EST

COST: CAN \$550 txs incl.

Early bird rate: \$520 txs incl.

Equity & student rate: \$490 txs incl.

This workshop uses the Attachment Injury Repair Model (AIRM) and offers practical, research-based tools to help therapists guide couples from crisis to healing.

SIMULTANEOUS TRANSLATION INTO FRENCH WITH OUR EFT COLLABORATORS

"Love has an immense capacity to help heal the devastating wounds that life sometimes inflicts on us. Love also strengthens our sense of connection to the world around us. Loving receptivity is the foundation of a truly compassionate and civilized society." Sue Johnson
